

Chamber Business Members,

The time has come once again for the Lake Crystal Chamber Annual Golf Tournament fundraiser. The event will be held Wednesday, August 10, 2022 at the Madelia Golf Course.

(If there should be inclement weather, we are scheduled as a make up date of August 17th.)

This year we are looking to our Chamber businesses for hole sponsorships, donations

of door prizes and/or sponsoring a round of drinks. If your business would like to get involved as a sponsor, this will include acknowledgement at the dinner and the opportunity to place your business' promotional items (napkins, pens, trinkets, etc.) on our tables during that time. See below for sponsorship options.

We have had great success in receiving all kinds of donations from our members in the past and your contributions to this event would be greatly appreciated. Hole sponsorship is only \$50 per hole and will include signage at the Golf event, acknowledgement in event materials, listing on the website and recognition online. We would love to hear from you.

Lake Crystal Area Chamber

If you have any questions regarding this event- please call the Chamber Office at 726-6088.

We look forward to hearing from you. Thank you!

If you are interested in participating, please complete the form below and return by *FRIDAY, July 29th*
